

## **Hina Bokhari – Incumbent Assembly Member**

**By re-electing me to the London Assembly, we have an opportunity to take the Liberal Democrats, and London, forward.**

**I'm the experienced choice. With Caroline Pidgeon stepping down, my track record and understanding as an Assembly Member is vital to our success in London.**

**I'm getting the Liberal Democrats coverage in the news. From Net-Zero to E-Scooter Safety, I have been a visible voice for our city.**

**London's diversity is its strength, which is why my diversity outreach work with local parties has focused on us winning and increasing members in every part of London, both Labour and Tory facing.**

**Let's continue the great work by sending me back to City Hall!**
