

1. As your 1st choice Lib Dem GLA List Candidate, my main priority will be to create a fairer city, with a mission to tackle deprivation, inequality and discrimination, celebrating our rich diversity.

2. Tackling Discrimination. I know from experience what it's like to be on the end of racial abuse — as a British Indian of a Hindu background affected the way I was treated when I was growing up. But it's a sad reality that Londoners [today](#) still face discrimination and prejudice because of who they are.

3. Protecting, Preserving and Creating Jobs. As your 1st choice Lib Dem GLA candidate would call for a national recovery plan equal to the challenge.
