YOUR **No.1** CHOICE FOR LONDON

Dear member,

I'm asking you for your first preference on the London Assembly List.

Caroline Pidgeon has been an exemplary voice for Liberal Democrats at City Hall, and her departure will leave a large hole.

I believe I have the experience, leadership and energy to continue Caroline's legacy, and see Liberal Democrats win across London.

As Leader of Richmond Council I've delivered change and led my borough's response to the Covid pandemic. I have been a winning election agent twice, and led the team that took control of Richmond in 2018, and won 48 of 48 seats last year.

I also delivered the largest GLA Constituency campaign ever run for the Lib Dems in 2021, which won us our second seat on the Assembly. It's been an honour to serve as council leader, and would be an honour to continue Caroline's legacy at City Hall.

Please put your trust in me so I can deliver for London as I've done in Richmond.

Kindest regards,

Gareth

Cllr Gareth Roberts

GARETH ROBERTS

Leader - Liberal - Experienced

A leader for London:

As Leader of a flagship Lib Dem Borough, I've delivered change to help the most vulnerable and put the environment at the heart of what we do; delivering borough wide 20mph, a borough of sanctuary for refugees including those from Ukraine and being recognised internationally as a climate action leader.

I also led the fight against Brexit in SW London and made sure EU citizens in Richmond were given the assistance they needed to remain.

During the pandemic I led the strategic response, delivering support to enable our most isolated and elderly residents, and helped businesses survive during lockdown.

This leadership continues as I lead the response to the cost-of-living emergency.

Liberal leadership delivering real change for people in London.

An experienced voice:

I've been a councillor since 2010, leading the council group since 2015 and in 2018 became Leader of the Council.

I was the winning election agent for Sarah Olney's by-election which beat Zac Goldsmith and election agent for the campaign which saw us bring back Vince Cable in 2017.

As candidate for the South West Constituency for the London Assembly in 2021, my campaign not only knocked Labour into third place, but also saw the SWL

Constituency deliver 22% of the total votes for the Liberal Democrats across London.

That campaign secured the votes required to gain a second Assembly seat.

As Leader of Richmond Council I've established good working relationships with leaders across the capital, including our three London MPs, and have developed good relationships with leaders across the political spectrum.

A liberal voice:

London needs experienced, Liberal Leadership to hold the Mayor to account, and be the voice of Liberal Democracy in London.

We need somebody who will challenge the Conservative Government on their appalling track record and their woeful underfunding of public services.

With your backing, I can be that voice.
