The BIG Question: WHY are our streets so dirty?

Answer: Ealing Labour has been secretly **cutting** your street cleaning services despite yearly council tax rises

Residents tell us that our neighbourhood streets have been 'the dirtiest in 30 years'. The Lib Dem Official Opposition Councillors have investigated the reasons for the dirty streets under Labour-run Ealing Council's watch.

Here are just some of the shocking facts:

- **Axing** autumn's street cleaning services;
- **Mismanaging** last year's leaf cleaning schedule;

meaning the bulk of the leaves that needed to be cleaned were missed;

- **Reducing** weeding and deep cleaning of pavements;
- **'Who shouts the loudest' approach:** Council often focuses on cleaning the streets with the most complaints;
- **Cutting** the Greenford Recycling Centre's opening hours from 7 days a week to 5 days, whilst already having closed Acton's 'tip' despite strong local opposition.

Residents tell local Lib Dem campaigner **Adam Keenan** they are **fed up** with Ealing Labour's lax attitude to street cleaning.

The Lib Dem plan for cleaner streets...

Local Lib Dem campaigner **Mandy Lurie** reports a dumped sofa on Oxford Road.

The Lib Dem Official Opposition has a 4-point plan to clean up our streets:

1. Introduce **'Community Skips'**, where the Council supplies free skips periodically to reduce fly-tipping.
2. Provide a cheaper and **more flexible bulk collection service**.
3. Remove the current appointment-based system of the Greenford Recycling Centre and **re-open Acton Recycling Centre** in its original form.

4. Increase recycling bins in our local high streets.

Local Lib Dem campaigner **Mandy Lurie** said:

"The state of our streets is appalling. Our Council taxes are rising, yet the services get worse every year."

"Just small changes like these, along with effective management of contractors, will improve things very quickly."

ADDRESSING YOUR LIME E-BIKE PARKING CONCERNS

Local residents have been telling Lib Dem **Mandy Lurie** that Lime Bikes are parked in the middle of pavements rather than designated parking areas.

Lib Dem campaigner Mandy Lurie has been working with Lib Dem Opposition Councillors to raise this important issue to Council transport officers.

Mandy Lurie said, "The Council must be tougher on e-bike providers by

using a carrot-and-stick approach, and punish them by rescinding their contracts for non-enforcement."
