

FOCUS

Liberal Democrats

on Walpole ward

From your local Liberal Democrat
Councillors: William FRANCIS, Ksenia
MAXIMOVA and Matt MELLOR

A STRONGER OPPOSITION

Lib Dems more than double their number of Councillors
on Ealing Council to a record 13 - holding Labour to account

The strengthened Liberal Democrat Official Opposition team will continue to **stand up for you** on Ealing Council.

The Liberal Democrats have doubled their Official Opposition team, having won seats from both Labour and the Conservatives.

Here in Walpole ward, local people have elected all **THREE** Liberal Democrats as part of their historic win against Ealing Labour.

Lib Dems **William Francis, Ksenia Maximova and Matt Mellor** are proud to serve as your local Councillors.

Your new Liberal Democrat Councillors are already working hard for residents: they have already been completing over **111 pieces of casework** - from trees to helping children with

special educational needs.

Councillor Matt Mellor vows to use his experience as a senior NHS manager to hold Labour to account over its 'inadequate' adult social care services.

Newly elected **Councillor Ksenia Maximova** says, "Thank you to the local people who have put their trust in us. **The Lib Dems will continue to hold Ealing Labour to account** and stand up for you."

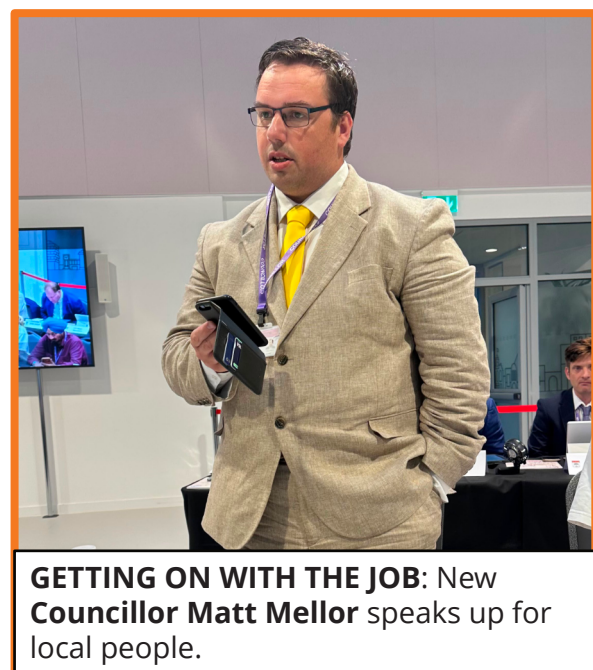

"We will continue to fight for cleaner streets, safer communities, efficient use of your Council Tax, and campaign for people to have a say in local decision-making."

Councillor Matt Mellor speaks up for our parks and West Ealing high street in his maiden speech

New Lib Dem Councillor Matt Mellor wastes no time and immediately sets his priorities at July's first Full Council meeting since the local elections.

Councillor Matt Mellor reiterated residents' concerns: to tackle crime and anti-social behaviour, improve street cleaning, revive West Ealing High Street, and sort out the maintenance in Lammas Park, Walpole Park and Dean Gardens.

Councillor Matt Mellor is imploring the Council to produce a four-year plan and funding to regenerate the ailing West Ealing high street.

GETTING ON WITH THE JOB: New Councillor Matt Mellor speaks up for local people.

LIBERAL DEMOCRATS: Standing up for you

GETTING A GRIP ON OUR TREES

Your local Lib Dem Councillors are pushing the Council to bring Walpole ward's tree inspection schedule forward by a full year to this year.

Residents told the Lib Dem team that there are too many trees that are either unpruned or causing damage to our pavements, due to the Council neglecting this issue for years.

Councillor William Francis is pushing the Council's tree officers to speed up the inspection process.

Labour's Cycle Scheme CHAOS

LABOUR'S BOTCHED SCHEME CRITICISED BY LOCAL BUSINESSES AND DISABLED RESIDENTS

Lib Dem Councillor Ksenia Maximova recently visited the Seaford Triangle (Seaford Road/Leeland Terrace) after residents and businesses raised concerns about the new pedestrian and cycle scheme.

Residents and businesses are appalled that bollards were built out of place compared to the original approved plan.

As a result, there is a loss of access by emergency services and disabled residents, while local shops have lost the parking they relied on and are losing customers.

Lib Dem **Councillor Ksenia Maximova** is raising this with the Council to get Labour's botched project fixed, with a proper loading bay on Hessel Road, so the street is safe without the businesses paying the price.

Lib Dem Councillors working to fix our public water fountains

New Lib Dem Councillor Matt Mellor has been trying hard to get the public water fountains outside Walpole Park, Northfields Station and West Ealing back up and running.

These fountains have out of order for months - Lib Dem **Councillor Matt Mellor** has been relentlessly chasing Ealing Council, Thames Water and Mayor of London office - each of them

trying to pass the buck.

After three months of efforts, **Councillor Matt Mellor** is pleased to get one of the three fountains at West Ealing back up and running.

Councillor Matt Mellor says, "Local people should be able to access clean water in this heatwave - I will continue to chase for the fountains at Walpole Park and Northfields Station to be fixed."
