

RE-ELECT Wendy CHAMBERLAIN

as our Scottish Deputy Leader

Dear Friend,

"I've cherished the chance to serve our party as deputy leader for almost five years.

"As chair of our successful Scottish Parliament election campaign this year, I saw first-hand the huge team effort that delivered our best Holyrood result in almost 20 years.

"However, I know there is much more to do, not least in next May's council elections. I'm determined to see us gain more councillors across Scotland and win in places we've not won in for a long time.

"It's why I'm asking for your support so I can continue the work we've started and be part of a strong leadership team with Alex Cole-Hamilton."

best wishes Wendy
