Letter of Sympathy and Support

To the Leadership, Councillors and officers of Swale Borough Council,

I write to you today to express our heartfelt sympathy and unwavering support following the recent attack directed against your council meeting. Such actions are reprehensible and, regrettably, are a reminder of the challenges faced by those who stand firmly for their principles and for the communities they serve. We may not agree with everyone's points of view, but we stand staunchly behind the right to debate issues, and for them to be conducted with civility.

Please know that you are not alone. Friends, allies, and communities who believe in fairness and constructive dialogue stand beside you. We admire your courage and encourage you to continue advocating for and supporting everyone in your communities.

We're sure that this moment of difficulty will only strengthen your resolve. With that perseverance and solidarity, you will rise above these attacks and keep building a brighter future for Swale.

With respect,

Lynn Ibeji

Chair
