

PARTY OFFICERS

The President

The President of the Welsh Liberal Democrats is the principal representative of the Party's membership. They chair Board meetings, and drive forward its work to shape the future of our Party. This role is about leadership, accountability, and ensuring the Party is forward-looking and working effectively.

Role Description

The President is at the heart of the Party's leadership and the voice of ordinary members at the decision making table.

You'll represent our members to the public and the media.

As Chair of the Board you'll make meetings constructive and inclusive, helping us make the right decisions. You'll report back to Conference, keep committees and working groups connected, and oversee the budget for the Board's activities.

More importantly, you'll work with officers, elected representatives, and members across Wales to build a Party that people are proud to belong to.
