

Spring Conference 2024

MOTION TO AMEND THE CONSTITUTION

Appropriate Representation for Young People on our Committees

AGREED BY THE WELSH LIBERAL DEMOCRATS CONFERENCE

Conference believes it is only right that the Welsh Young Liberals (WYL) are given a non-voting membership of the Finance & Resources Committee (FRC) now that WYL has entered the Welsh Party's accounting unit and is therefore held to account by FRC.

Conference therefore resolves to amend the Constitution of the Welsh Liberal Democrats as follows:

1. In Section G Article 5.2.b add a new bullet point, "v", at the end:
"a representative of the Welsh Young Liberals (WYL)"
2. In Section G Article 7.2 add a new bullet point, "b", at the end:
"Non-Voting Members:"
And a new bullet point, "i", in newly created Article 7.2.b:
"A representative of the Welsh Young Liberals"
